The fusion of Ukrainian ballet finesse and an unwavering love for music encapsulates the essence of DJ UKi's narrative. Transitioning from dance to DJing, UKi Productions emerged in 2010, heralding the beginning of a musical phenomenon that continues to captivate audiences worldwide.

Explore the dynamic soundscape crafted by DJ UKi, where genres collide and intertwine effortlessly. From the iconic HMF lounge at the Breakers Hotel to exclusive lounges and upscale private events, DJ UKi's music transcends boundaries, resonating with the discerning tastes of Palm Beach's elite clientele.

Born in Ukraine, Basov's early years were defined by the rhythmic movements of dance. At 16, he found himself in

West Palm Beach, adapting to a new language and culture. The moniker "Uki" emerged as a tribute to his Ukrainian heritage. Beyond the dance floor, Basov's path took a serendipitous turn when he decided to make Palm Beach his home after being spellbound by a fleet of Ferraris at an annual auto show.

Two years into the musical journey of UKi Productions, Basov caught the attention of The Breakers Hotel—a luxurious sanctuary in Palm Beach. His transformative impact on the HMF Lounge not only challenged norms but also ushered in a new era of innovation within the esteemed establishment. Amidst an environment where having a DJ was unconventional, UKi Productions, led by Basov, redefined expectations.

Imagine a blend of vintage musical sensibility and contemporary flair, evoking an atmosphere that transcends time. Basov's inspiration drawn from Parisian elegance resulted in a unique fusion of lounge, house, and dance music, establishing him as the Entertainment Director at The Breakers Hotel and the resident maestro of HMF Lounge.

But DJ UKi's influence extends far beyond Palm Beach. He has taken his beats across the globe, spinning tunes on private yachts sailing through European waters, from enchanting Venice, Italy, to vibrant Trieste. Private clubs in Newport, Palm Beach, Mar-a-Lago, Everglades Club, and exclusive events for prestigious names like Ferrari and Lamborghini have all been graced by UKi's musical prowess.

Experience the evolution of UKi Productions, now a leader in event production, orchestrating unforgettable experiences for private and corporate clients alike. From weddings to high-profile collaborations, UKi Productions stands at the forefront of event planning, with Basov's signature beats shaping the social landscape of Palm Beach.

For Basov, it's more than just creating music; it's a mission to challenge norms and redefine entertainment. Drawing inspiration from the words of Oscar Wilde, he envisions a world where individualism, creativity, and sophistication reign supreme, breaking free from the constraints of mediocrity. As DJ UKi continues to carve his sonic legacy, Palm Beach dances to the rhythm of a musical maverick, rewriting the rules of entertainment, art, and music.
